Unravelling Tort and Crime

Modern Tort Law 7/e

The Structure of Tort Law

Defences in Tort

The Principles of Land Law
The Province of the Law of Tort

Providing a comprehensive and principled account of the uncertainty problem that arises in tort litigation, this text critically examines the existing doctrinal solutions of the problem, as evolved in England, United States, Canada & Israel.

Lectures on Jurisprudence

Now in its 13th edition, Jill Poole's immensely popular Textbook on Contract Law has been guiding students through contract law for over 20 years. Poole's case focus and clear writing style make this text a favourite with students and lecturers alike. The law of contract is placed within its commercial context, and students are provided with a detailed yet accessible treatment of all the key areas of contract law. Key features: * Each chapter begins with a summary of key issues, providing an overview of central themes and points of law, and concludes with suggestions for further reading, guiding students towards the most relevant texts and articles* Key points, illustrative examples and questions encourage a deeper understanding of the central facts and issues* Headings, case summaries and case extract boxes allow for easy navigation through the text

Online Resource Centre: This text is fully supported by an Online Resource Centre which provides:* 300 multiple choice questions with answers and feedback* Self-test questions and answers linked with Casebook on Contract Law* Guidance on answering problem questions in contract law* An opportunity for students to ask the author any questions

The Law of Torts in Australia

The previous editions of Torts were highly regarded for their clarity of explanation and engaging writing style, and this new fourth edition fully retains each of these qualities. The text has been extensively revised and updated, and there is a new chapter on privacy. The enhanced layout includes end of chapter summaries and self-test exercises and an extensive bibliography. This is therefore an ideal companion to the subject for both law undergraduates and GDL/CPE students.

Torts

Scholars of Tort Law

Commonwealth Caribbean Land Law

The law of torts recognises many defences to liability. While some of these defences have been explored in detail, scant attention has been given to the theoretical foundations of defences generally. In particular, no serious attempt has been made to explain how defences relate to each other or to the torts to which they pertain. The goal of this book is to reduce the size of this substantial gap in our understanding of tort law. The principal way in which it attempts to do so is by developing a taxonomy of defences. The book shows that much can be learned about a given defence from the way in which it is classified. This book has been awarded Joint Second Prize for the 2014 Society of Legal Scholars Peter Birks Prize for Outstanding Legal Scholarship.

Court Number One
Tort

Winfield and Jolowicz on Tort

Tort Law

Winfield and Jolowicz on Tort. -- 11th Ed. by W.V.H. Rogers

Tort law is a subject of primary importance in the study and practice of the common law in Caribbean jurisdictions. This work is now well established as the leading text on tort law in the region, and this fifth edition has been updated throughout to incorporate developments in law and legal thinking, including special contributions on medical negligence and the misuse of private information from the Hon Justice Roy Anderson and Dr Vanessa Kodilinye. The accessible writing style and integration of up-to-date material enables students to grasp the salient points and develop a thorough understanding of Tort Law in the Caribbean. Although conceived primarily as a text for the LLB degree courses in Caribbean universities, Commonwealth Caribbean Tort Law is also essential reading for students preparing for the CAPE Law examinations and the various paralegal courses in the region. Legal practitioners will find the book useful as a work of ready reference, and it will also be of interest to those business executives, industrialists, insurance agents and journalists who require some knowledge of this most important area of the law.

The core principles of land law are articulated clearly in this new textbook, providing a framework through which students can gain a sophisticated understanding of the modern land law system. Emma Lees' expertise in research and teaching ensures all topics are thoroughly explained in a friendly and accessible style. The textbook uses a unique structure: "Chapter Goals" outline the key learning objectives while the core "Principles" are summarised to conclude each chapter with a comprehensive overview of the topic at hand. Key cases are explained while examples illustrate problems and possible solutions. Students understand how to accurately apply the core principles to land law scenarios, while also conducting their own critical analysis of the subject area. The author's enthusiasm is imbued in the writing style; students actively engage with the key debates and at the same time develop an appreciation of the subject as a whole. A comprehensive interpretation of this subject, The Principles of Land Law is the ideal companion to a course in land law. Online resources: Bimonthly updates on recent law changes.

Winfield and Jolowicz on Tort

This book aims to provide a detailed analysis and overview of the duty of care enquiry, drawing on both academic analyses and judicial experience in leading common law systems. A new structure through which duty problems can be analysed is also proposed. It is hoped that the book provides some fresh insights and clarity of the concept to the reader.
Winfield and Jolowicz on Tort

Tort Law Defences

Utilizing topical practical examples throughout, this volume provides a detailed account of contract law, explaining the fundamental principles and how the law operates in practice. It focuses on UK common law, but covers relevant EU law and makes comparisons with other common law jurisdictions.

Winfield and Jolowicz on Tort

The publication of Scholars of Tort Law marks the beginning of a long overdue rebalancing of private law scholarship. Instead of concentrating on judicial decisions and academic commentary only for what that commentary says about judicial decisions, the book explores the contributions of scholars of tort law in their own right. The work of a selection of leading scholars of tort law from across the common law world, ranging from Thomas Cooley (1824–1898) to Patrick Atiyah (1931–2018), is addressed by eminent current scholars in the field. The focus of the contributions is on the nature of the work produced by each of the scholars in question, important influences on their work, and the influence which that work in turn had on thinking about tort law. The process of subjecting tort law scholarship to sustained analysis provides new insights into the intellectual development of tort law and reveals the important role played by scholars in that development. By focusing on the work of influential tort scholars, the book serves to emphasise the importance of legal scholarship to the development of the common law more generally.

Ramaswamy Iyer's the Law of Torts

The Law of Tort

The thoroughly revised and updated 11th edition of Essentials of Management: An International, Innovation and Leadership Perspective takes an international and innovative view of management. Tort

Innovative and groundbreaking research on how tort and crime interrelate in English law.
Lloyd's Introduction to Jurisprudence

Each section begins with a clear overview of the key points of the law, before fully explaining and illustrating the topic through substantial case extracts and further commentary."--BOOK JACKET.

Dr. Avtar Singh's Introduction to the Law of Torts (and Consumer Protection)

Earlier editions have title : Introduction to jurisprudence.

Commonwealth Caribbean Tort Law

A TELEGRAPH BOOK OF THE YEAR A TIMES BOOK OF THE YEAR A WATERSTONES PAPERBACK OF THE YEAR 'Superbly told' Simon Heffer, Daily Telegraph 'A hamper of treats' Sunday Telegraph '[Grant employs] scholarship and depth of evidence' London Review of Books 'These tales of eleven trials are shocking, squalid, titillating and illuminating: each of them says something fascinating about how our society once was' The Times 'Deceptively thrilling' Sunday Times 'Excellent . . . Thomas Grant offers detailed accounts of eleven cases at the Old Bailey's Court Number One, with protagonists ranging from the diabolical to the pathetic. There is humour . . . but this is ultimately an affecting study of how the law gets it right - and wrong' Guardian Court Number One of the Old Bailey is the most famous court room in the world, and the venue of some of the most sensational human dramas ever to be played out in a criminal trial. The principal criminal court of England, historically reserved for the more serious and high-profile trials, Court Number One opened its doors in 1907 after the building of the 'new' Old Bailey. In the decades that followed it witnessed the trials of the most famous and infamous defendants of the twentieth century. It was here that the likes of Madame Fahmy, Lord Haw Haw, John Christie, Ruth Ellis, George Blake (and his unlikely jailbreakers, Michael Randle and Pat Pottle), Jeremy Thorpe and Ian Huntley were defined in history, alongside a wide assortment of other traitors, lovers, politicians, psychopaths, spies, con men and - of course - the innocent. Not only notorious for its murder trials, Court Number One recorded the changing face of modern British society, bearing witness to alternate attitudes to homosexuality, the death penalty, freedom of expression, insanity and the psychology of violence. Telling the stories of twelve of the most scandalous and celebrated cases across a radically shifting century, this book traces the evolving attitudes of Britain, the decline of a society built on deference and discretion, the tensions brought by a more permissive society and the rise of trial by mass media. From the Sunday Times bestselling author of Jeremy Hutchinson's Case Histories, Court Number One is a mesmerising window onto the thrills, fears and foibles of the modern age.

Winfield and Jolowicz on Tort

* Contains all the information needed to find expert witnesses to provide evidence in court or write a report* Includes experts who live or work in Ireland in over 1,000 specialisms* Lists number of court appearances and reports written* Allows easy identification of top quality experts with the required expertise without having to spend hours searching for the information* All entrants have provided references and agreed to abide by a strict code of practice

Tort Liability Under Uncertainty
The first textbook to address land law as it relates to the Commonwealth Caribbean, it encompasses all areas covered in an undergraduate course on the law of real property in the Caribbean. Primary and secondary source material on the law of property in the whole of the Commonwealth Caribbean is made easily and readily accessible to law students and legal practitioners. Statutory provisions from all States are discussed in relation to each topic and the similarities and differences are highlighted. Extensive discussion and analysis of the decisions of the courts in the region are also included alongside an in-depth analysis and critical discussion of English case law that is relevant to the Caribbean. The examination of whether or not English case law should be followed in the region is relevant and interesting to anyone studying or practising law in other Commonwealth jurisdictions. Essential reading for undergraduate law students in the Caribbean, this text will also prove useful to those studying for the certificate of proficiency in the practice of law in the Commonwealth Caribbean, while the footnote references to statutory provisions are an invaluable aid to any researcher of Caribbean land law.

Legal Language

This text presents a clear and current picture of the law of torts. It covers all the major concepts in the law of torts and clearly illustrates how they work in practice by reference to the major cases in this field and the main statutory provisions.

Street on Torts

Well-established and highly regarded, Street on Torts provides a detailed yet clear overview of tort law, with strong analysis of case law and contextualisation of individual torts. The highly praised broad coverage and logical structure are maintained, ensuring the book remains a classic 50 years after publication of the first edition.

A Text-book of the Law of Tort

Accessory liability in the private law is of great importance. Claimants often bring claims against third parties who participate in wrongs. For example, the 'direct wrongdoer' may be insolvent, so a claimant might prefer a remedy against an accessory in order to obtain satisfactory redress. However, the law in this area has not received the attention it deserves. The criminal law recognises that any person who 'aids, abets, counsels or procures' any offence can be punished as an accessory, but the private law is more fragmented. One reason for this is a tendency to compartmentalise the law of obligations into discrete subjects, such as contract, trusts, tort and intellectual property. This book suggests that by looking across such boundaries in the private law, the nature and principles of accessory liability can be better understood and doctrinal confusion regarding the elements of liability, defences and remedies resolved. Winner of the Joint Second SLS Peter Birks Prize for Outstanding Legal Scholarship 2015.

Accessory Liability

Textbook on Contract Law

This history of legal language slices through the polysyllabic thicket of
legalese. The text shows to what extent legalese is simply a product of its past and demonstrates that arcane vocabulary is not an inevitable feature of our legal system.

**The Duty of Care in Negligence**

Modern Tort Law is a comprehensive, accessible and up-to-date introduction to the law of torts. Now in its seventh edition, Vivienne Harpwood’s popular, student-friendly text explains the principles of all aspects of tort law in a lively and thought-provoking manner. The broad coverage of modern tort law makes this an ideal textbook for any undergraduate tort law course. Students are encouraged to understand and apply the principles of tort law effectively throughout and particular attention is paid to the context within which the law is evolving, making these topics both accessible and enjoyable. This seventh edition has been revised and updated to take into account developments since publication of the previous edition including in the areas of privacy, negligence, personal injury and defamation. Human Rights issues are integrated throughout the text rather than treating the topic in isolation, in line with the way the subject is commonly taught. Now more accessible and student-friendly, it includes: advice on further reading at the end of each chapter which is intended to point students towards sources of further study and critical debate new chapter introductions, rewritten to reflect learning outcomes. Modern Tort Law is now supported by a Companion Website which offers lecturer resources available to adopters of the book, including ‘think points’ designed to encourage reflection and debate and PowerPoints of diagrams and flowcharts contained within the text. A dedicated student section also offers weblinks, a guide to key Tort law cases, a flashcard glossary and a test bank of multiple choice questions.

**Ratanlal & Dhirajlal's the Law of Torts**

This best-selling undergraduate textbook from leading academics Kirsty Horsey & Erika Rackley gives a comprehensive grounding in tort law and carefully chosen learning features help students to become engaged and critical thinkers. This lively and thought-provoking account allows students to understand rather than simply learn the law. The problem questions in each chapter help students to understand how the law works in its practical context and to begin to consider potential issues and debates. Carefully chosen features such as 'counterpoint' and 'pause for reflection' boxes enable students to think more deeply and critically about the law. The text is accompanied by an extensive Online Resource Centre, which includes the following resources: - Downloadable annotated judgments, statutes, and problem questions - Outline answers to questions in the book - Annotated web links to external web resources and videos - Flashcard glossary of legal terms used in the book - Additional content on elements of a claim in the tort of negligence and on product liability - Test bank of 200 questions and answers for lecturers' use in assessing students

**Tort Law**

The authors focus on English law but cover significant developments in Commonwealth countries, and, where appropriate, European systems of tort law. They offer an understanding of the purpose of tort law and also detail the rules and principles that make up tort law and explain how the law has developed.

Ellis Lewis

This textbook considers all the topics typically included in tort courses. Several chapters deal first with primary issues relating to liability, negligence, and breach of statutory duty before passing on to examine specific torts, such as nuisance, defamation and the economic torts.
